Of
Our Lady of LaSalette Assembly #3115

The meeting was called to order by FN Jasman at 7:04 pm.

The Faithful Friar and two Trustees were excused and all other Assembly Officers were in attendance.

The past meeting's minutes were posted on the Knights of Columbus web-site for review.

This month's expenses were \$7.74 to pay for the postage of training manuals for the Color Corps.

There is \$1,297.80 in the Treasury.

No new applications for membership.

Communications: The District Master has sent instructions that there will be no pins of any kind worn on the regalia. When receiving communion your chapeau and gloves stay in your seat and all Color Corps members receive precious blood or no one does. The Master has requested money to offset the cost of the Exemplification. The Assembly unanimously approved an expenditure of \$25.00. SK George Mulcahy made the motion and SK John Yencik seconded the motion.

Saint Luke Council 12832 sent a request for an ad book. Since our Council made a donation, the Assembly will opt not to participate.
