Unfinished Business

The Faithful Admiral Jerry Siegmund has developed a schedule for individuals to sign up for working in the kitchen, serving, and clean up for the Lenten Friday night dinners. The schedule is 9:30 to 3:00 (4), 4:00 to 7:00 (5) and then clean up. He would like two teams which would alternate the weeks. This way the Teams would only work 3 Fridays each during the 6 weeks of Lenten. The Columbiettes expressed that they would like to volunteer to serve the dinners.

New Business

SK Robert Hack suggested a project for the Assembly, which is getting the wives involved in making Lap Blankets for the veterans at the VA hospital in Fayetteville. Currently, Jane Hack is involved in this project for another organization and could provide us with some guidance should the Assembly want to approve this project.

FN Pegoni mentioned that Belks has a charity sales day. Individuals must register and identify the Assembly as your charity of choice and the department store will donate a percentage of your purchase to the Assembly. FN Pegoni will find out more information on how to register and get back to the Assembly.

Meeting adjourned at 7:03 PM.

Vivat Jesus
