**Unfinished Business**

The Lenten Fish Dinner from March 18, 2011 we realize \$742 in dinner sales, \$87 from the 50-50 and \$18 from bread sales. SK Paul Murnane suggested that we try to do pre-sales for the dinners during the current dinner. SK Rich Korn suggested that we get more support from Father Robert from the pulpit. It was suggested that some one contact the Council's publicity chairman Ed Shea and get some notices put in the Brunswick Beacon even though we are nearing the end of Lenten. Contact was made with Kathy Doyle and she will try and get the word out to the other Church organizations at their meetings during the week.

FA Jerry Siegmund has scheduled a practice of the Color Corps on April 18 at 6:00 PM to go over the changes in procedures.

**New Business**

The Trustees need to meet as a nominating committee and select a new slate of officers for the coming year.

The Assembly needs to establish some Patriotic Programs. FN Pegoni has call for some suggestions. FA Siegmund suggested that we look into establishing something where we can assist immigrants in obtaining their citizenship. SK George Mangelsdorf and SK Ray Gromadski have volunteered to put together a list of possible patriotic programs. They will report on their progress at a future assembly meeting.

There have been inquiries regarding the sale of bread that is baked for the Assembly and Council dinners to the parish. According to FA Siegmund, our pastor has said no. However, any left over loaves of bread the night of the dinner will be sold to attendees.
